

# Remember these three important rules to stay safe online:

Treat people how you want to be treated

Avoid words that might offend others

## Be Cool

If you wouldn't say it out loud, don't say it online

If you see anything you're not comfortable with, tell someone you trust right away

Make sure your parents know what you're doing online

## Be Heard

Don't share personal info with anyone

Pick usernames that don't give away personal info

Only share passwords with parents - don't even tell your best friends!

## Be Safe

Keep your name, age, address, phone number, and school top secret
